STEP 6: CERTIFICATION. You must date and sign this CLAIM FORM in order to make a valid claim.

- Be sure to include your VIN number in STEP 5 above. The VIN is located on a placard on the top of the dashboard and is visible through the driver’s side corner of the windshield. It also appears on your vehicle registration card and probably appears on your vehicle insurance card. Your VIN should have 17 characters.
- Be sure to include your Unique ID in STEP 5, above. Your Unique ID can be found on the Settlement Notice Mailer that you should have received in the mail. If you do not have your Unique ID, you must provide proof that you owned or leased the vehicle as of November 2, 2012, such as a copy of the registration certificate in effect on November 2, 2012.
- If you do not have your Unique ID and you are considered a “Current” owner or lessee (see STEP 2), you must provide a copy of the current registration issued by your state department of motor vehicles (or similar state agency) (or a copy of the registration in effect on December 23, 2013).
- If you have listed, in STEP 5, a new address that is not already on file with Kia, please include proof of your current address, such as a utility bill.
- If you are considered a Former owner or lessee, please also include evidence of the mileage when you bought and sold the vehicle (such as purchase and sale contract or related documents, odometer disclosure statements, smog certifications, repair orders, title documents or other documents demonstrating mileage at the time of purchase and/or sale/disposal). Your state department of motor vehicles (or similar state agency) may also be able to provide you with a document that shows the mileage of your vehicle when it was bought and sold.

By signing and submitting this Claim Form, you certify that all of the foregoing information is true and correct.
